

Camp Caraway Children's Programs Payment Policies

Thank you for choosing to attend a children's program at Camp Caraway. Below are the payment policies for children's church camps, warrior camp for boys, winter camp, Timothy program, grand camp, father-son, and mother-daughter retreats.

- **Registration-** You may register online at www.campcaraway.org/programs with a credit card. Registration is first come-first serve. We will post online when any camps are full.
- **Contact:** Connect with Danielle Page with any registration or payment needs: dpage@caraway.org or 336-793-2232.
- **Deposit-** An \$85 per person nonrefundable deposit is due immediately upon registration. Your registration is not complete until the deposit is paid.
- **Balance-** Final numbers and the full balance is due 4 weeks before the starting day of your camp unless otherwise noted.
- **Refunds-** Deposits are non-refundable. Balances are not refundable after the balance due date except in the event of illness, injury, or death in the immediate family the week before or during the camp.
- **Reducing numbers for group registrations-** Reducing the number of attendees before the balance due deadline will lose the \$85 per person deposit and is not transferable to your balance. Reducing the number of attendees after the balance due deadline will result in an \$85 per person fee. This applies to Children's Church and Winter Camps.
- **Raising numbers for group registrations-** First, check with us to be sure we have availability before promising a spot to someone. To increase numbers before the balance due deadline, the deposits for the increase are due on the day of increase. If you increase in number after the balance due deadline, the full balance for those additions will be due on the day of increase. This applies to Children's Church and Winter Camps.
