

A Week Away at Camp Caraway

Thank you for your interest in potentially serving next summer at Caraway Conference Center & Camps. 2024 will be the 62nd summer of camps at Caraway and the 56th summer of camps at Mundo Vista. We have a rich tradition of having a dedicated and gifted summer staff, and their impact on the lives of our campers and guests is one of the most important aspects of our programs.

Who are we?

Caraway Conference Center and Camps are owned and operated by The Baptist State Convention of NC (BSCNC). We are located in the beautiful Uwharrie Mountains of central NC near Asheboro. Our mission is to be a Mighty Mountain of faith. Staff and campers need not be Baptists to participate. We offer a year-round Conference Center for adults, a year-round camp rental retreat center at Camp Caraway. At Camp Mundo Vista the summer we program our summer camps in addition to hosting some rental groups that do their own programming.

Summer Camp Programs

Our 4 core values of summer camp are:

- Growing Faith- We want people to know how much Jesus loves them! Campers will hear the truth from God's word daily through teaching and experientially through daily programs.
- Developing relationships- Our program experience is greatly based on relationships. Our camp staff help campers feel at home and help plug them into our community with other campers and staff.
- Building skills- We use every activity, whether a recreation, worship service, or missions time, to teach and equip campers with Biblical truth for daily living.
- Serving others- All Christ-followers are missionaries! Our daily interactive missions time with a missionary will help campers understand what missions is and how we can be missionaries where we are.

What is A Week Away?

This program is for college-aged men and women who want to be involved in Camp Ministry but cannot commit to the whole summer. Week away staff will function as a contract staff member. Your job will be to serve as a camp counselor or co-counselor during warrior camp for boys or horizons camp for girls and serve during one of our parent-child retreat weekends.

Contract Details

The dates of the contract are June 16-21, 2024 and you can choose to work a weekend: June 7-9, 2024 (mother-daughter) or July 12-14, 2024 (father-son). Pay is \$290 for a week or \$145 for a weekend. Lodging and most meals are provided during your stay here. Staff are expected to work the entire session that they sign up for. Camp is fun and challenging and requires young adults that are committed to being mature Christ-followers. If you are called to serve at Caraway Conference Center & Camps you will play hard, and you will be expected to work hard. This job is not for the lazy or faint of heart.

Faith & Belief

Staff need not be Baptist to serve here but must understand what we believe and must agree on basic theology. Read the BSCNC beliefs [here](#). We will discuss this in the interview.

Training & Safety

Caraway makes risk management our top priority. **Our spring orientation & training weekend is required and the date will be announced.** If you cannot make the orientation weekend, you must schedule with us to come to some of our other staff training in late May and early June. Our staff orientation and training will purposefully prepare you to do the jobs that you will be asked to do. The training may include camp culture, expectations, philosophies, evangelism, discipleship, camp programs, some recreation facilitation, team building & processing, Emergency Action Plans, and more.

If you are not American Red Cross CPR- First Aid- AED trained, you will need to complete that training. We have a couple of options that we can discuss with you on how to complete that.

Appearance

In an effort to “offend the least” and “win the most”, we expect staff to intentionally dress modestly and conservatively. Visible tattoos must be approved by the program director or they must be covered. Skintight clothes such as yoga pants or leggings must have another clothing item covering the bottom at a modest length. Bathing suits must be modest, full coverage one-piece suits. If there are any questions about this, please ask before or during your interview.

Summer Staff Nick Names

We have a fun tradition of each summer staff having a nickname. This nickname is based on a memorable experience or a fun characteristic of the staff. Staff will help choose their name from recommendations of returning staff. This name is for fun and also allows the staff to not to use their real name in front of campers if they choose.

What to bring

After you are hired you will receive more information with expectations including a packing list. Caraway is not responsible for your personal belongings. Cell phones and electronics may only be used when off duty or on a break. We will give you contacts for your family and friends to reach out to while you are away from your phone if there is an emergency or urgent message to deliver to you. Drugs, alcohol, tobacco products, and weapons are strictly prohibited.

Staff Relationships

Our leadership team will facilitate small group discipleship times, and several fun group activities for staff throughout the summer (some are required while some are optional) to create healthy bonding with staff. Staff should never be alone with the opposite sex outside of required work tasks. New dating is not allowed while employed. If you are currently dating someone else who applies, you must make the program director aware before or during the interview.
